I the undersigned understand that my membership will begin on the day my account is set up and I am notified of said set by email.

I understand the email will be sent from jack@thesurvivalpodcast.com and it is up to me to ensure I check for any spam filtering that may block the notification email.

I understand that I will only receive electronic reminders of my membership expiration (approximately 30-45 days prior to expiration) and that if I fail to renew by the due date my membership will be canceled at that time.
